OUR COLLECTION

EMOTIONS IN EVERY DRAW

Our collection at Amarati is a journey through emotions and stories. Each cigar we create embodies a unique narrative, from the serene tranquility of a day by the French Riviera in Sol Azul, to the heartfelt connection of a daughter's letter to her father during harvest season in Letter to a Father.

Our OG series pays homage to the origins, capturing the essence of authenticity in every puff.

We at Amarati pride ourselves on crafting cigars that are more than just a smoking experience—they are a connection to the stories and emotions that shape our lives.

Sol Azul

MEDITERRANEAN CALM

The story of Sol Azul began on the Côte d'Azur, French Riviera, where Amer Tamimi was enjoying a moment of relaxation, savoring a cigar. Surrounded by the serene blue of the sea and sky, and embraced by the gentle Mediterranean breeze, Tamimi was transported to a realm of profound tranquility and peace. The picturesque view of the azure horizon, coupled with the melodious songs of birds and the rustling of leaves, created a symphony that delighted the senses.

In this moment of perfect serenity, Tamimi envisioned the Sol Azul cigar—crafted to encapsulate and deliver the same experience of calm and relaxation to its smokers.
